Costa Shop & Drop

SUPERMARKET DELIVERY SERVICE

Costa Shop & Drop was established in 2020 in order to bring the very best British branded food, drink and household products direct to your home. In the midst of a global pandemic, we came to the realisation there was a huge demand for people to order the products they love from the UK and for them to be delivered directly to their home without the need to travel.

The idea of Costa Shop & Drop was born!

Our ethos is customer based and we strive towards meeting the needs of you, the customer! We endeavour to grow our business at your request! If there is a product we do not (yet) stock, then please request it! We have worked hard with suppliers from all over Europe to ensure weekly deliveries of your favourite food, drink, and household, cleaning products and much more.

Same day ordering and delivery service – 7 days a week!

Welcome to our first edition Costa Shop and Drop catalogue, in the coming weeks and months we will continue to grow with further editions.

In future editions Costa Shop and Drop will have an extensive range of fresh fruit, vegetables and meat produce, additional chilled and frozen products, as well as an extensive range of vegetarian and gluten free products.

If you have any specific requests please inform one of our team
